

Licence arrangements enable schools to legally make the contents of the Number Fun Song Resource Packs available throughout school on their network computers. There are three levels of licence available, as well as upgrades for schools that have purchased hard copies. To copy the Number Fun Songs onto your school's computers you need a licence. A separate licence is required for each Song Resource Pack. Prices quoted are correct for 2011.

## Song Resource Pack Digital Downloads ([www.numberfun.co.uk](http://www.numberfun.co.uk))

Licence	Download	Cost	Licence Permissions Summary
<b>Single User Licence</b>	PDF edition of Resource Book Full Track MP3s Backing Tracks Licence Certificate	<b>£33</b> (£39.60 inc.
